GX1 Card Printer
BIM028001

Industry Leading Card Production
The GX1 Card Printer rivals the fastest card printers in its class while providing industry leading image quality. TruePick™ card handling minimizes card jams by accurately picking cards with no adjustments - allowing your card production operation to run smoothly and efficiently.

Ideal for:
- Employee badges
- Student IDs
- Access control cards
- Government IDs
- Healthcare cards

High Security
High security options make this printer the leader in secure card issuance.

Security Features include:
- Custom laminates
- Holographic laminates
- Tactile impression
- and more
